

Mobile Hub Staff Opportunity

Director, Communications, Mobile Hub

Location: US-DC-Washington

August 2015

Position Overview

The Director, Communications will shape and ensure successful delivery of the Mobile Hub's communications strategy. S/he will offer expertise and delivery support to enable Mobile Hub colleagues to design and deliver communications strategies for their individual portfolios, including messaging and visual themes for promotion via publications, events, social and traditional media campaigns and other communications activities. S/he will play a lead role in designing a vision and supporting key Mobile Hub events, such as launch activities and Mobile Hub CEO and other executive-level participation at major global events.

Mobile Hub Overview

The Mobile Hub is a new, \$75 million global alliance to enable the digital ecosystem to deliver greater scale, efficiency and social impact as it creates more inclusive digital economies in emerging markets. Working with partners, the Mobile Hub will generate evidence of what works through a series of demonstration projects, distil insights and tools to promote scale-up and replication, and provide mechanisms to encourage knowledge sharing, collaboration and co-investment throughout the ecosystem.

The Mobile Hub is a donor-funded program hosted within the UN Foundation, and based in the UN Foundation's Washington, D.C. office. The incumbent will be an employee of the UN Foundation and in most cases, will be based in Washington. In cases where a non-U.S. location is agreed, candidates will be hired on a long-term contract basis. In any case, candidates must have prior work authorization.

How to apply

For more information and a full job description, interested candidates should visit <http://www.unfoundation.org/who-we-are/careers/>. Interviews will occur on a rolling basis until offerees are identified.
