

Mobile Hub Staff Opportunity

Director, Technology Innovation, Mobile Hub

Location: US-DC-Washington

August 2015

Position Overview

The Director, Technology Innovation will help shape and deliver the Mobile Hub's strategy to transform how the development community sources, designs, develops and deploys software to improve the impact and cost-effectiveness of life-enhancing services. The Mobile Hub's Technology Tools, Services and Platforms program aims to address the existing barriers and inefficiencies that result in sub-optimal procurement, program design, software development practices, distribution models and other practices in digital health, education, agriculture, governance and other development sectors. The Director will identify and work closely with industry and development sector partners to scope and deliver a portfolio of initiatives to determine what strategies are most effective, and will scale these strategies in order to transform the programmatic use of software in the sector. The Director will manage the project portfolio, at times providing hands-on expertise and at other times sourcing and delivering success through grantees or consultants.

Mobile Hub Overview

The Mobile Hub is a new, \$75 million global alliance to enable the digital ecosystem to deliver greater scale, efficiency and social impact as it creates more inclusive digital economies in emerging markets. Working with partners, the Mobile Hub will generate evidence of what works through a series of demonstration projects, distil insights and tools to promote scale-up and replication, and provide mechanisms to encourage knowledge sharing, collaboration and co-investment throughout the ecosystem.

The Mobile Hub is a donor-funded program hosted within the UN Foundation, and based in the UN Foundation's Washington, D.C. office. The incumbent will be an employee of the UN Foundation and in most cases, will be based in Washington. In cases where a non-U.S. location is agreed, candidates will be hired on a long-term contract basis. In any case, candidates must have prior work authorization.
