SUPPORTING MATERIALS

Please submit the following supporting materials with your completed application form:

One-Page Statement of Interest

Please provide a one-page statement explaining your interest in this program and how your research aligns with the vision, mission, and interests of PTC and its community.

Curriculum Vitae

Please include a current copy of your curriculum vitae.

Single-Authored Research Paper

Please submit a full research paper (20-page maximum), including a title, abstract (190-word maximum), one-page executive summary, and complete references.

Please format your supporting materials according to standard style guidelines (e.g, 12-point Times New Roman font, double spaced, 1-inch margins). Please visit ptc.org for additional details and submission guidelines.

To submit your application materials, please compile the relevant files noted above and compress them into a single .zip file. Please send an email with the complete .zip file to youngscholars@ptc.org no later than **7 November 2012**.

Learn more about the 2013 PTC Young Scholar Program at ptc.org.

The Pacific Telecommunications Council (PTC) is committed to and highly recognized for supporting research, education, training, and development initiatives that foster positive social change.

Through its annual conference, its committees, and its initiatives, PTC brings together senior leaders in communications and provides them with opportunities to build partnerships with one another and to share insights on industry trends, business strategies, policy, best practices, and new communication technologies and services.

For more information about PTC, its annual conference, or the PTC Young Scholar Program, please visit ptc.org.
